## Upon reaching month of Rajab and Sha'ban

When the Prophet (salAllahu alayhi wasalam) sighted the moon of Rajab (two months before Ramadan) he used to pray to Allah in the following words:

اللَّهُمَّ بَارِكْ لَنَا فِي رَجَبٍ وَشَعْبَانَ وَبَلِّغْنَا رَمَضَانَ

Allahumma barik lana fi Rajab wa Sha'ban wa ballighna Ramadan

O Allah! Make the months of Rajab and Sha'ban blessed for us, and let us reach the month of Ramadan (i.e. prolong our life up to Ramadan, so that we may benefit from its merits and blessings)

[Narrated by at-Tabarani and Ahmad]

## A Message from the president

All praises are due to Allah peace and blessing upon our beloved and final Messenger of Allah. On the behalf of myself and the Committee of Fukuoka Masjid I wish to extend best wishes and sincerest greetings to my fellow brothers and sisters in Islam on this new issue of Fukuoka Masjid newsletter.

The Islamic rituals should remind us the principles that we should live and conduct our lives by. It also reminds us of the role of Islam in advancing justice, tolerance and the respect of all human beings.

I call on myself and all of you to make a commitment to calling towards righteousness and forbidding evil. We should all with one voice make a vow that we will step up to the task and let today be a turning point in our lives and hence positively affect ourselves and society at large.

The Noble Qur'an invites humanity to unite

and come together under the principles of love and affection and thus, has referred to the faithful believers of a society as being brothers and sisters of one another. Live for spreading unity and love, be a source of love in this worldly life. Feel love, be love, spread love; in your heart, your family, and your community.

I end this message with sincerest appreciation and gratitude for your generosity and hard work over the years to keep Fukuoka Masjid in the best form.

I wish you all the best.

Dr. Fawaz Abad Aldurra  
The President of Al Nour  
Islamic Culture Center

## Selected hadith >>>

"Smiling at your brother's face is as charity (Sadaqa)" (Jami Tirmidhi). "Abdullah ibn al Harith tells us about the Prophet (PBUH) saying that he had never seen someone smile at the other's face as the Prophet Muhammad (PBUH) used to do" (Jami Tirmidhi). Smile is the first arrow and the fastest of them all. It is like the salt for food. It is also regarded as a kind of alms-giving as is mentioned in a hadith

# WEEKEND ISLAMIC SCHOOL

Education in Islam plays an important role in developing every individual (male or female) to be successful in realizing the very purpose of man's creation -- i.e., to worship Allah until death: "I

created not the jinn and men except that they should worship Me."

(Qur'an Adz Zdaariyat/51:56).

In addition, Prophet Muhammad (Peace be upon

him) said, "When a man dies, all of his deeds are terminated except for three types: an ongoing charity, implemented knowledge, and a virtuous child who prays and asks for forgiveness for his parents" (Narrated by

Play soccer game

Abu Hurairah). And for the above reasons, every Muslim family should facilitate their children to have education that will lead them to fulfill the above purpose, and therefore, children need to be

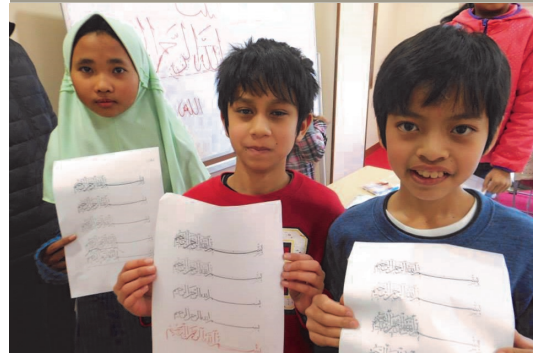

equipped with sufficient Islamic teachings and practices. These necessitate the Islamic education for children. We need to teach the beauty of Islam and its practices to our children. The needs become stronger especially

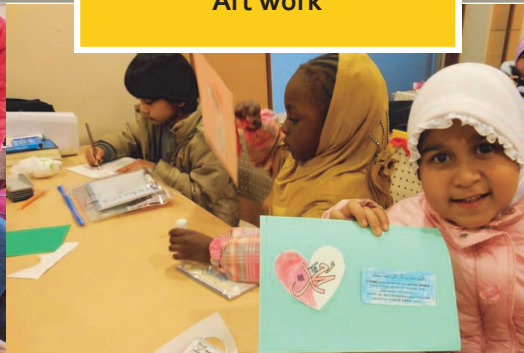

Learning how to pray

when we realize that we live in an environment where Islamic teaching has no room in its Education system. In response to the above needs, we run the current weekend Islamic school in Fukuoka Masjid. We do realize that once a week is far from enough to teach our children all they need to grow up and live as Muslims. Nevertheless, we have to try our best to provide them with

## Taisho

In the Name of Allah, the Most Compassionate, the Most Merciful  
Brothers and Sisters in Islam,

From all places on the Earth, Allah loves the mosques above all else. The prophet (peace be upon him) said: "The most beloved places on Earth to Allah are mosques" [Narrated by Muslim].

Allah Almighty has said: "The mosques are for Allah, so do not invoke with Allah anyone" [Surat Al-Jinn, 18]. Fukuoka Masjid Committee is working on a plan to cover the monthly expenses of the Masjid. Short, mid and long plan were developed to find sustained financial support for the house of Allah.

Along the short plan, the committee urges you to donate some money monthly to the Masjid. More generally, the committee feels that there should be Muslim unity and cooperation for supporting the house of Allah in Fukuoka. There are two ways to donate to the Masjid:

- Donation will be collected after Jumaa Prayer, the second Friday of every month. In Fukuoka Masjid (1st and 2nd floor), Ito Campus, and Chikushi Campus.
- Donation can be send through community representatives as shown in the right list:

Allah the Exalted has said: "Never will you attain the good [reward] until you spend [in the way of Allah] from that which you love." [Surah Al Imran, 92].

By Financial Fukuoka Masjid Committee.
